PWA fights drought: The Provincial Waterworks Authority (PWA), led by Kritsada Sunkhamani, Deputy Governor (Technical Affairs) and Acting Governor, in collaboration with the Department of Highways (DOH), launched "DOH-PWA Against Drought" for 2021. The PWA is providing tap water for those in need from March 2021 until the situation resolves. All 234 PWA branches have implemented proactive measures to ensure clean water supply for daily life.
