Invitation to Bid

Public Private Partnerships for Operation and Maintenance (O&M)

of Bang Pa-In – Nakhon Ratchasima (M6) and Bang Yai – Kanchanaburi (M81) Intercity Motorway Projects

The Department of Highways (DOH), Ministry of Transport, of the Kingdom of Thailand, would like to invite private entities to bid for the Public Private Partnerships (PPP) for the Operation and Maintenance (O&M) of the Bang Pa-In – Nakhon Ratchasima and Bang Yai – Kanchanaburi Intercity Motorway Projects. In this regard, the private entity shall be responsible for the design and construction of the motorway system works and the related facilities, while the ownership of the properties constructed by the private entity and toll revenues shall rest with the public sector. The private entity shall also be responsible for the toll collection management, the operation and maintenance of the entire project, including the civil works constructed by the public sector and the works invested by the private entity itself. The private entity shall be remunerated for the construction of the systems and other related facilities, maintenance services, toll collection and operation services as well as all other works specified in the relevant scope of work and conditions thereof (PPP Gross Cost).

The Bang Pa-In – Nakhon Ratchasima Intercity Motorway Project covers the distance of approximately 196 km. with 9 toll plazas, and the Bang Yai – Kanchanaburi Intercity Motorway Project covers the distance of approximately 96 km. with 8 toll plazas. The project period shall be divided into 2 phases as follows:

- Phase 1: Design and construction of the motorway system works and the related facilities, which shall not exceed 3 years.
- Phase 2: Operation and maintenance services of the entire project, which shall be 30 years.

The selection of the successful bidder shall be in strict compliance with the Private Investments in State Undertakings Act, B.E. 2556 (2013), the Highway Act, B.E. 2535 (1992), the Act regarding the Fixing of Tolls to be Levied on the Use of Highways and Bridges by Motor Vehicles, B.E. 2497 (1954) and the DOH's Regulations Prescribing Toll Revenues, B.E. 2549 (2006).

More details regarding the projects, qualification requirements and bidding procedure are described in the official invitation to bid, at www.doh-motorway.com or www.doh.go.th

Request for Proposal (RFP) documents for each of the two projects are available for purchase on the DOH's working days, from February 27th to March 27th, 2019 from 09:00 a.m. to 3:00 p.m.
